## A Wicked Good Time

Hercules

### Need to sell multiple Xena/Hercules Props and Wardrobe?

Lets have some fun selling on our terms without ebay fees and build our collections through other serious Xena and Hercules enthusiasts. We all need to sell items occasionally for various reasons so instead of dealing with the ebay rules and fees lets try selling among ourselves rendering a most satisfying and fun transaction for all.

We have all had a run in with unsavory sellers and buyers that lurk around on ebay so this will keep prop and wardrobe sales among our tight circle and we know they will be going to a good home!

You can run your own auction and Xena Prop House will announce the starting time and end of your auction with a comprehensive presentation of what you are selling then you set up the auction. The auction will be backed by XPH through assisting and referring readers and collectors to your designated auction time circulating your email and information throughout the duration of your auction. If you are a new reader and participant that I have never communicated with before and would like to announce your own auction no problem just give me one reference from a seasoned collector I can communicate with to verify your commitment to your auction before I can announce it. This is a great way to make quicker bulk sales but XPH will still keep **"A Day in the Life"** section for the casual individual sale items and for photo sales. I can announce multiple auctions so there is no need for a first come first serve basis.

### GROUP MAILINGS

I can also do a group mailing with a general list of descriptions and prices of items you have for sale. Then you can sell them on a first come first serve basis to the collectors who respond to you.

Contact Barbie at XPH and communicate that you would like to run an email auction or group mailing. Xena Prop House issues come out by the 15<sup>th</sup> of every month so you would need to make contact by the 7<sup>th</sup> of each month leaving time for the auction to be worked up by me and announced in the issue. It would be suggested you start the auction or group mailing at least 4-7 days after the issue comes out on the 15<sup>th</sup> so readers have a chance to read about your items for sale introduce themselves as a potential bidder or buyer and your preparation to start receiving

offers or bids. I will help you through the entire process however if you choose an auction **you** will be running the auction keeping records of the bidding activity, etc.

Any questions comments or suggestions on these auctions backed by Xena Prop House please email [allaboutartgalry@aol.com](mailto:allaboutartgalry@aol.com) Please read the Xena Prop House disclosure on the last page of this publication in red before announcing or participating in these auctions. **-Barbie Arms-**

## Coming Home

**Here are items available for trade or sale and items that *match back up* with the props or wardrobe.**

I am on a mission to try and see if I can network collectors to match up wardrobe and props that got separated during the feverish Auctions that occurred years ago. Everything was scattered to all four corners of the earth and bringing them back together again is a venture I enjoy, one prop at a time!

## Morgan has For Sale **SOLD**

Hrothgar extra belt pieces to anyone who might have the full costume or at least the belt. It would match up nicely. Notice here another yellow tag.

### **Owned by Mart**

Here's a pic of what he thought was a horse head until it was seen with horns from Hercules episode "Norse by Norsevest". The horns were boxed up and he just thought they were spare parts for the makings of an amazon headdress or something, who would have ever thought they would have gone together. The head had the holes and the horns even had the wooden pegs and were cut at an angle to fit behind its ears. **Mart still has another pair of horns if anyone has another head he can either sell his horns or buy the head.** The second pair does not have pegs, but has peg holes.

1. This is a lovely set of antlers, these look and feel genuine, not resin. Antlers were used in many scenes and many episodes; these have a leather piece tied to them so I believe they were probably amazon. As a bonus, they were signed TWICE by the Amazon Queen herself, Cyane, played by the lovely and talented Victoria Pratt. Vicky signed these at the Creation 2001 Cherry Hill Xena Con.

**“If the Shoe Fits”**

If you have a question please send to Barbie at [allaboutartgalry@aol.com](mailto:allaboutartgalry@aol.com)  
 Anyone who has the answer or can elaborate on an answer already submitted is most welcome to reply. I will keep the questions posted until an answer is obtained. All questions answered will be posted, then removed, before the next issue to keep the section tidy.

**Q 1 Does anyone know where Athena's wardrobe and Accessories are?**

At the U.K. Con Paris Jefferson was on stage and wondered what had happened to her Athena helmet (someone asked her if she got to keep one and she didn't). Someone in the audience mentioned that there are websites displaying props and said she had never seen any Athena stuff. Paris couldn't believe there were all those props/costumes out there going for all that money!!

Paris also spoke about how comfortable the costumes were to wear, and how she got told she looked so much better with the helmet on!!! She only saw the helmet when it was pretty much completed, whereas Adrienne spoke about how she went through all the stages of Livia's costume, starting from bits pieced together to the final costume. **Louise**

**A1 There is a stunt rider that is connected with Anna in NZ @ WOW. She has a complete Athena outfit....and the lead Athena outfit minus the boots and sword is owned by Sandy Johnson in Vicksburg ,MS..... **MART****

**Q 2 What is your favorite Prop, Wardrobe or production piece?**

**Chris**

**A 2** My favorite tankard is from "In Sickness And In Hell". Gab drinks out of it and numbs her mouth. **PAUL**

**A2** My favorite props are ones used by my favorite characters. I love my Gabby, Ares, and Melosa Props, however, Xena is my truly favorite character. **Randi**

Please tell us your favorite prop you now own and why!

Would Xena and Hercules collectors like the chance to meet face to face? How about hearing presentations on props and costumes geared toward the collector? Would you like to have a place where you can exchange ideas on conservation and display, on price negotiations and value, and on authenticity and verification? How about a setting where we can share items with each other and not worry about security and crowd control?

It's not too soon to start thinking about just such a collectors' gathering. It could be scheduled around the annual Southern California convention if a lot of collectors are planning to attend that, or it could be decoupled from the convention and could be a stand-alone event.

Please email me your thoughts on such a gathering at [c.clogston@gmail.com](mailto:c.clogston@gmail.com) -- I'd love to hear from you!

## THE QUILL IS MIGHTIER

**Here is a section that will be written and submitted by Morgan Sumners every month. Her humorous wit is just too precious so please Enjoy!**

Xena: Gabrielle, you know I hate shopping. Are we almost done here?

Gab: We just need to pick up a few things for this afternoon's shooting schedule for our latest episode that will never air because our series got cancelled in 2001 with no plan in place for extending the contract! Besides, I'm starving. The portions were really small in that last tavern. By the way, I got you another whetstone, since you can't seem to keep your sword in your sheath lately.

Xena: I can't help it. Ugly thugs with absolutely no fashion sense are very hard on my blade. And just what is *that*?

Gab: This? I'm not sure. The apple vendor says she got it on a trade from one of the Amazons, but nobody knows how to make it work. I was intrigued so I agreed to take it off her hands for two dinars.

Xena: A waste of two dinars if you ask me. Why'd you do it?

Gab: (opening up the cover). Because I thought it might be some kind of new writing instrument. Look at all these letters and symbols.

Xena: I wonder where the amazons got it.

Gab: I don't know, but they got a lot of mysterious artifacts after that awful episode they called "Lifeblood." I mean really, who wears shoes like that when traipsing around the Greek countryside? And that sweater???

Xena: It so did NOT go with anything else she was wearing. If that's how they dress in the future, I'm staying right here in the past, where they have lots of shiny weapons and fashionable leather attire.

Gab: Somehow I can't see you wearing penny loafers, although it would certainly distract the enemy.

Xena; Umm...Gab?

Gab: Yeah?

Xena: That.....little square plastic thing with the symbols under the cover suddenly has a shiny little light coming out of it.

Gab: Wow.....you're right. Hey...something's happening!

Xena: What does....e...B....a.....y.....mean?

Gab: I have no idea. But it's very colorful.

Xena: Hmmmm.... it says, "buy it now or bid".....buy *what*???

Gab: Look at these clothes! You have got to be kidding me! And what is a "Hannah Montana?"

Xena: I have no idea but it says you better hurry because it's ending in five minutes and thirty-two seconds!

Gab: I'm going to type something in this little box here. Hey I know, how about..."Xena."

Xena: Holy one-eyed Cyclops, Gabrielle, you don't have to type to me. That's just silly. I'm sitting right here. And besides....WHOA! Hera's chariot! What is that???

Gab: Hera didn't have her own chariot. I typed in your name and it says there are 2,789 "matches." Matches?? This better not be a dating service, or some of these "matches" are going to find my Sai up their.....

Xena: Those are portraits of ME! Zeus, Hera and Hercules on a raft!!! This has to be a trick. Probably Ares!!

Gab: Xena, this one here is a toy....that looks like you!! And here we have....umm....I'm not sure. What's a DVD?

Xena: It must be a secret futuristic vault where they store all those frightening episodes like Lifeblood and Married with Fishsticks.

Gab: You are never going to believe this....but is this not the vase that is on the table in your mom's tavern???

Xena: Yes!! It is! Toris gave it to her for her birthday one year. And here it is on eBake?

Gab: eBAY.

Xena: Whatever. Hey look, there is one of your scrolls!! You can get it back for only 150 dinars, opening bid! Bid now, bid later, bid often, but bid, for crying out loud, before it's too late!

Gab: Look away, Xena, you're succumbing to the clever marketing ploy that is online shopping.

Xena: Huh?

Gab: I have no idea why I just said that.

Xena: That's the scroll I left you when I went to the Norseland in that highly heroic move commonly known as a suicide mission. I can still see my lip print on it!

Gab: Xena, that is impossible. I still have that scroll right here in my bag, and I know this because I'm sentimental like that. I love it when you actually sit down and put quill to paper. I would never let that scroll out of my sight.

Xena: Well it says right here that it is a genuine set-used prop. These people have a COA, Gabrielle. That sounds painful. I had a COA once but a little apple cider vinegar and I was right as rain. And if this is really some futuristic black box thingy that "Amazon Barbie complete with flash-forward accessories" left behind from Lifeblood, then I think it is safe to assume that this person, let's see, user ID Ireallylovegabrielle....HEY!!!!!!!!!!

Gab: They love me, they really really love me! It says so right here. And you're so cute when you are jealous. Now stop that, you're going to pop an eyeball.

Xena: Well this PERSON....grrrr.....apparently somehow gets your scroll and brings it to the future where there is a serious lack of leather and weaponry and now she is trying to fence your scroll that I GAVE YOU on this thing called eBarrel!!!

Gab: eBay.

Xena: Whatever. You know, if she REALLY loved you, she wouldn't be SELLING YOUR SCROLL!!

Gab: Yep, that's my scroll all right. I can still see the little divot in the top of it where I banged my head against it when I found out you ran off and left me.

Xena: You know I didn't want to leave you but I was afraid the big scary guy in the rubber monster suit was going to hurt you. Besides, it was in the script. And now, we find your scroll out here on eBola!

Gab: eBay.

Xena: Whatever.

Gab: What are you doing?

Xena: It says here I have to register if I want to "ask seller a question" and you can bet I have a few questions for her!!!

Gab: It says the username you chose is too long. What did you pick?

Xena: "Imgonnatearoutyourspleenandfeedittoathreeheadedhydra"

Gab: That's really gonna slow down your login time, Xena.

Xena: You're right. I changed it.

Gab: "kill'emall." I like it. It has character, yet is definitely lacking in subtlety. Kinda like you.

Xena: I prefer the direct approach.

Gab: What are you asking her?

Xena: I want to know how much she'll charge for shipping to Ancient Greece, if she combines shipping for multiple auction wins, and WHY SHE LOVES YOU!! Argghhhhh!!!!

Gab: Maybe it's my charming personality and stylish haircut.

Xena: Maybe she wants to finish out her golden years with one leg and her internal organs on the outside of her body. Trying to sell MY BARD'S scroll on eBiscuit!!

Gab: eBay.

Xena: Whatever.

Gab: I bet the logistics of shipping across the space/time barrier are going to be really difficult, not to mention expensive.

Xena: I bet the logistics of her putting all her pertinent body parts back in order are going to be very challenging, not to mention entertaining.

Gab: Let me see that. *Dear ohnoyoudon'tloveGabrielle, guess what? I'm not dead. But you're gonna be when I get my hands on you.* Xena, it says here that threats against other members of the eBay community are unwelcome and will be sent to their Trust and Safety committee.

Xena: Oh goody. Then they can TRUST that I am seriously going to impede the SAFETY of this particular member, or should I say dismember? This eBarge is really getting on my last nerve.

Gab: eBay.

Xena: Whatever.

Gab: Hey Xena, check this out. You can buy boot daggers, swords, shields, crossbows, bras, girdles and other weapons of mayhem and destruction on here.

Xena: Oh yeah? Do they allow in-person pickups? Because I prefer to examine the merchandise first.

Gab: Warriors are so easily distracted by elongated metal things with pointy ends.

Xena: What did you say?

Gab: Nevermind. I think I'm going to save you some serious mood swings and just toss this thing in the river.

Xena: Then let's hide your scroll and see if it messes up "youbetternotbethinkingofmybardthatway's" eButt listing.

Gab: eBay.

Xena: Whatever. Come on, we have an episode to make. I'm not really dead, remember?

Gab: That was fairly clever camera work to make it look like I actually stopped myself from pouring your ashes in the fountain. Like I'd ever do that and let Akemi whisk you off to the underworld so she could read you some lame poem about snow falling on cedars.

Xena: Still miffed about that, huh?

Gab: Yeah. Good thing I didn't see her little conniving spirit on that eBurn, or I might have sent a few messages myself.

Xena eBay.

Gab: Whatever.
